## REASONS FOR ALLOWANCE

1. Claims 1-6 are allowed.

2. The following is an examiner's statement of reasons for allowance:

Claim 1 recites, *inter alia*, *the height of a cross section of the outer core is smaller than a height of a cross section of the middle core.*

The references of record do not teach or suggest the aforementioned limitation, nor would it be obvious to modify those references to include such limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
